

Tour to Dashbashi Canyon

Experience one of Georgia's most spectacular natural wonders on a full-day tour to **Dashbashi Canyon**, a dramatic gorge carved by volcanic rock and flowing waterfalls just two hours from Tbilisi.

Located near the town of Tsalka, Dashbashi Canyon is a true hidden gem — home to lush greenery, hanging moss-covered cliffs, and a breathtaking 240-meter-long glass bridge, suspended high above the canyon floor. The bridge features a transparent walkway and a heart-shaped glass platform, making it one of the most

For thrill-seekers, optional activities like the **glass zipline bike** and **cliff swing** offer unforgettable views and a dose of adrenaline (activities for an extra cost)

After exploring the canyon trails, admire the impressive multi-level waterfalls, enjoy a relaxing walk through the gorge, or grab a coffee or lunch at the modern canyon viewpoint cafe.
